Notes (please answer 'yes' if you agree)

I understand that if I rehome a dog he/she is to be rehomed as a house pet and is not to be kept kenneled or chained up. He/she will be a companion and not a guard dog or a racing or hunting dog. HUG will retain overall ownership of the dog and reserves the right to reclaim the dog if it is not being fed, housed or cared for satisfactorily. Should I ever need to find another home for the dog I will consult HUG about this before making any other arrangements for the dog:

I understand that although HUG will provide all relevant information about the dog, a complete history is not always available:
